

GRACEFUL

Attitudes to Gynaecological Rapid Access, Cancer Exclusion and Follow Up Location

Somerset

NHS Foundation Trust

We would like to hear what you think

Where is most suitable to care for people who may or do have a gynaecological cancer?

Does it matter where your hospital appointment is?

What impact does the location of your appointment have on you?

Please complete our survey, it takes 15-25 minutes.

The information you share will help us to improve gynaecology cancer care.
